Points regarding Wellington Fire Protection Board's negotiations with the International Association of Firefighters Wellington Fighters Local 5389

1. The union is advocating for an agreement which leaves the WFPB with no way to effectively change the agreement to the benefit of the district taxpayers.
2. The lawyer hired by the WFPB has argued to NOT sign an agreement which prevents the autonomy of the board, yet it appears this is exactly what the board is leaning toward.
3. There have been several current board members who have suggested that I should run for the board, if this board votes away their autonomy, why would anyone run for the board? Their hands would be tied to make any positive changes which benefit the district taxpayers. The union would essentially run the Wellington Fire Department, why even have a board?
4. If this agreement is passed without an autonomy clause, the only way I could envision a future board making a contract change would be to hold the firefighter's salaries hostage until the union agreed to a change. The current agreement, without an autonomy clause, leaves no other option and this is not "fair" to the firefighter.
5. These union negotiations have been going on since September of 2023, with board members, union representatives and lawyers. How much taxpayer funds have already been spent on the time for union rep salaries and lawyer's fees, not to mention all the unpaid time the board members have contributed?
6. Instead of spending money on lawyers negotiating the union agreement, especially if the board is going to ignore the lawyer's opinion, maybe that money should have been spent on trying to recoup the money which was wasted by previous chief's excessive spending.
7. We have been told that the board is the "representative" of the taxpayer, yet only two of the board members have been participating in the union negotiations. How is this partial board participation in negotiations an adequate representation of the taxpayer?
8. As it currently stands, Wellington handles about 1200 calls per year. I would contend that Wellington firefighters are getting paid a full-time salary and benefits for a part time job. Let me explain.
9. Let's begin with the Wellington Fire Department workload - in their own words they are on track to have 1200 calls this year.  $1200/365 = 3.3$  average calls per 24-hour period.
10. Not all calls are equal – House fires, medical and false alarms if we estimate that an average call is 2 hours long  $2 \times 3.3 = 6.6$  hours at a call per 24 hr day of actively working a call.
11. If the average firefighter works 24 on and 48 off, he works 5 days in a two-week period.  $5 \times 24 = 120$  hours.  $6.6 \text{ call hrs} \times 5 = 33$  average call hrs in two-week cycle. Leaving 87 hrs for maintenance, training, eating and sleeping in a two-week cycle.
12. At an average of 25 dollars/hr.  $80 \text{ hrs} \times 25 = 2,000$  straight time and  $40 \times 1.5 \text{ time and a half} \times 25 = 1,500 + 2,000 = 3,500$  per pay period.
13.  $3,500/33 \text{ call hrs} = \$106$  per call hour.  $3,500 \times 26 \text{ pay periods} = \$91,000$  per year.
14. Wellington fire department salaries are on par with Eaton and Estes Park yet Eaton handles more than twice as many calls and Estes Park 1.5 times as many.
15. Shane, the union rep, told me he works three jobs. If Shane works three jobs, then he cannot come to his firefighter position fully rested and ready to perform at top notch capacity, can he?
16. Maybe if the Wellington firefighters are worried about their job security and feel it necessary to unionize, we should require those union firefighters to have no other job, so they are fully refreshed and ready to perform at maximum efficiency for us, the taxpayer; you know, the ones paying for their salaries and benefits.

17. There are fire fighters on waiting lists at every fire department in northern Colorado. This is because firefighters are adequately paid, have great benefits and can supplement their income by taking other jobs during their off days.
18. Since we are paying these salaries and benefits shouldn't we demand a well-rested, fully functional firefighter ready to do the work they are being paid for instead of one who has been working two additional jobs?
19. If the conditions at the Wellington Fire Department are so egregious that a union agreement with no autonomy clause for the board is included, maybe those who are so aggrieved should go to a union department since this is still a right to work state.
20. As part of an international union, the local can and/or has been provided outside/dark money to lobby for specific board members and/or bargaining items. With this outside money, how long before all the board members will be beholden or at least sympathetic to the union and to hell with the taxpayer and any of their "representation"?
21. By signing onto the current agreement in its present form, this board will handcuff any subsequent board to negotiate on behalf of the taxpayer.
22. Any of the conditions of employment being negotiated between the union and two board members can be instituted directly between the individual firefighter and the board without the intrusion and additional costs of the union.
23. The unionization of public employees is inherently wrong. The public employee works for the taxpayer not a union. The public employee receives a defined benefit unlike the taxpayer who must save for his own retirement. Becoming a public employee is a choice not a requirement.
24. We were told that unionization will not cost any more for the taxpayer. Yet, a lawyer needed to be hired to "negotiate" a union agreement, the lawyer is certainly not free. This demonstrates just one of the "union" lies. Unionization is an expense to the taxpayer regardless of what we are being told.
25. Wellington boards seem to have a propensity to get involved in "agreements" which work against the benefits of the citizen and for other entities. Did this Wellington board learn anything from the Boxelder IGA agreement? One which benefits Timnath and others downstream at the expense of the Wellington citizen.
26. The Wellington Fire Protection Board is in this current situation because of a corrupt fire chief who overspent on 3 battalion chiefs and 3 administrative assistants along with an inept board who allowed him to do that. The question is: will this board be as inept and allow for the added costs of unionization while hand cuffing any future board or will they have the foresight to recognize the pitfalls and vote to contain the union?
27. The board is supposed to "represent" the taxpayer not the union, without an autonomy clause there is no representation of the taxpayer.
28. The final question; To the Wellington Fire Protection Board, What will your legacy be?

*Incidents of note:*

**12/4/24 3914 Roosevelt Ave., Building Fire** Engines 16 , 17 and Chief were dispatched for a reported building fire. Units arrived on scene to find the side of a detached garage on fire. Units quickly deployed hose lines and knocked the fire down. Interior search and thermal imaging of the area revealed no extension into the garage itself. The cause of the fire was ruled accidental.

**12/10/2024 5800 Pawnee Ct., Animal Rescue** Engines 16, 17 and Chief were dispatched to assist with an animal in distress. Units arrived to find a 2000 lb. Clydesdale horse on its side and unable to stand. Ranchers were not sure how long the animal was down. Veteranarian on scene advised that if the animal wasn't standing soon, it would have to be euthanized. Specialized units from Poudre Fire Authority and a neighbor with a loader worked quickly with WFPD personnel to lift the animal to a standing position. It was then transported by the rancher to CSU for follow up veterinary care.

If applicable, Designated Election Official is authorized to enter into an intergovernmental agreement with such local governments on behalf of the District concerning the election procedures and any cost sharing associated with coordinating the use of one polling place.

Notice of such cancellation shall be published and posted in accordance with the Code. The Notice and this resolution, signed by the Board Chair, shall be filed with the Division of Local Government.

8. If any part or provision of this Resolution is adjudged to be unenforceable or invalid, such judgment shall not affect, impair or invalidate the remaining provisions of this Resolution, it being the Board's intention that the various provisions hereof are severable.

10. All acts, orders, and resolutions, or parts thereof, of the Board which are inconsistent or in conflict with this Resolution are hereby repealed to the extent only of such inconsistency or conflict.

## **PREAMBLE**

It is the public policy of the District to promote and maintain harmonious relations between the Board and the full-time Firefighters employed by the District to protect the public health, safety, and welfare by assuring at all times the orderly and uninterrupted operations and services of the District. This policy is implemented by recognizing and defining the rights of full-time Firefighters in this Agreement to join organizations of their own choosing for the purpose of representation in matters affecting Firefighter relations or to represent themselves individually in said matters in dealings with the Board. Additionally, the Board and Union desire an opportunity through this Agreement to provide for equitable and peaceful adjustment of differences which may arise, and to establish standards of wages, hours, and certain other conditions of employment.

## **GENERAL**

This Agreement is entered into by and between the WELLINGTON FIRE PROTECTION DISTRICT (here in after referred to as the "Board" or "District") and LOCAL 5389 OF THE INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS (hereinafter referred to as the "Union").

It is the purpose of this Agreement to supersede and replace any and all prior agreements between the Board and the Union.

## **ARTICLE I DEFINITIONS**

- 1.1 BOARD.** The term "Board" shall mean the Board of Directors of the District.
- 1.2 DISTRICT.** The term "District" shall mean the Wellington Fire Protection District. It shall include authorized officers, representatives, and agents.

- 1.4 FIREFIGHTER.** The term "Firefighter" shall mean any full-time employee of the District whose primary duties are directly involved with the provision of firefighting and/or emergency medical services. "Firefighter" does not include non-sworn or clerical personnel, volunteer Firefighters, administrative positions, and part-time Firefighter, as well as any Probationary Firefighter as it relates to Article X "Grievance Procedures". Further, "Firefighter" does not include any supervisor who holds the rank of chief officer. (Firefighter in 4.1.2 is in reference to rank).

**1.6 UNION.** The term “Union” shall mean the International Association of Firefighters Local 5389. It shall include all authorized officers, representatives, and agents.

## **ARTICLE II RECOGNITION**

### **2.1 RECOGNITION**

The Board recognizes the Union as the exclusive representative of all Firefighters.

### **2.2 FREEDOM OF ASSOCIATION**

Notwithstanding the aforementioned provision, each and every Firefighter of the District shall have the right to join, or refrain from joining, any lawful organization for their benefit or economic improvement and for the advancement of the purposes of the Board.

### **2.3 REPRESENTATIVE AND NEGOTIATION GUIDELINES**

Any labor or employee organization acting on behalf of a designated bargaining unit may file a petition with the Board for recognition as the exclusive bargaining agent. The petition must contain the signatures of more than 50% of the Firefighters within the bargaining unit and allege either that said Firefighters desire to be represented for the purpose of collective bargaining, or that the labor or employee organization presently certified as the exclusive bargaining agent is no longer the choice of the majority of the Firefighters of the bargaining unit as their exclusive bargaining agent. Where a petition has been filed pursuant to the above provision, the Board shall either agree to acknowledge the Union without further proceedings or shall conduct a secret ballot of all eligible Firefighters (those within the bargaining unit) to determine if and by whom the Firefighters wish to be represented. An affirmative vote of at least a majority of all Firefighters eligible to vote shall be conclusive.

## **ARTICLE III TERMS**

## **ARTICLE XIX GRIEVANCE PROCEDURES**

### **19.1 DEFINITIONS**

**19.1.1 Grievance:** A grievance shall mean a complaint by a Firefighter, Firefighters, or the Union that there has been a violation, a misinterpretation, or inequitable application of any of the provisions of the Agreement between the District and the Union. The term grievance shall not apply to: (1) any discipline or charges against a member for violation of rules and regulations of the District; (2) any matter as to which the Board is without authority to act; (3) any matter where the method of review is prescribed by law.

**19.1.2 Grievant:** The term "grievant" shall mean a Firefighter who has filed a written Grievance bearing the Firefighter's signature. Where a Grievance affects a group of Firefighters and the Union has asserted the Grievance on behalf of all affected Firefighters, the Grievant shall be the Union and not the individual Firefighters.

### **19.2 PURPOSE**

Nothing herein contained will be construed as limiting the right of any Firefighter having a grievance to discuss the matter informally with any appropriate member of the supervisory staff and having the grievance adjusted, provided the adjustment is consistent with the terms of the Agreement and provided the Firefighter follows the chain of command. Good morale is maintained, as issues or challenges arise, by sincere efforts of all persons concerned, to work toward constructive solutions in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may, from time to time, arise. The Union shall have the opportunity to be present and to state its views at any level in the grievance procedure beyond Step 1.

### **19.3 RIGHTS OF FIREFIGHTERS TO REPRESENTATION**

**19.3.1 No Discrimination.** There shall be no discrimination against any Firefighter, Union representative, or other participant in the Grievance process based upon participation in the Grievance process.

**19.3.2 Representation by Union.** A Grievant may be represented by the Union at any stage of the Grievance process and additionally may seek the assistance of the Union in the preparation and presentation of the Grievance.

#### **19.4 FORM OF FORMAL GRIEVANCE**

Any formal Grievance must be in writing and contain the required information as set forth below. Neither the District nor the Union is required to act upon Grievance that does not contain all of the required information as set forth below:

**19.4.1** The date of the dispute or event(s) giving rise to the grievance;

**19.4.2** A statement of any efforts to resolve the dispute through the chain of command;

**19.4.3** The name of the Grievant(s);

**19.4.4** A description of the dispute or event(s) giving rise to the Grievance, including, but not limited to a description of how, when, and where it arose; the parties involved; and its present status;

**19.4.5** All documentary evidence in support of the Grievance;

**19.4.6** A statement with a description of the specific provision(s) of this Agreement that has been allegedly violated, misinterpreted, or inequitably applied;

**19.4.7** A proposal for how the Grievant believes the dispute should be resolved;

**19.4.8** The date of the Grievance, and;

**19.4.9** The signature of the Union President or designee and the signature of the Grievant. If the Grievance is on behalf of a class of Firefighters, the signature of the Union President or designee and only one member of the class will be required.

#### **19.5 PROCEDURE.**

No grievance shall be recognized unless it shall have been presented at the appropriate level within fourteen (14) calendar days after the aggrieved person knew, or should have known, the act or condition on which the grievance was based. The time limits specified in these procedures may be extended by mutual agreement of the involved parties. In any event, the Firefighter shall perform his/her assigned task and aggrieve his/her complaint later.

**19.5.1 Step 1. Request for Grievance with the Union.** The aggrieved Firefighter shall notify a Union representative as to the particulars of the complaint (informal). An earnest effort should be made to resolve said differences by a meeting between the Firefighter(s), the Union, and the Fire Chief. If the matter is not resolved at Step 1 the Firefighter or his/her representative may proceed to Step 2. However, failure to proceed to Step 2 shall constitute affirmation by the Firefighter to the fact that the matter was settled at Step 1.

**19.5.2 Step 2. Request for Grievance with the Union.** If such grievance is not resolved within 7 (seven) calendar days thereafter, the Firefighter(s) shall present his/her grievance to the Executive Board of the Union in writing within two (2) calendar days. The Executive Board of the Union shall then discuss the grievance in accordance with the Constitution and Bylaws of the Union and handle all grievances so presented to them within five (5) calendar days and report their action to the subsequent meeting of the Union.

**19.5.3 Step 3. Filing Formal Grievance with Fire Chief.** In the event the Union's Executive Board decides that the grievance is justified, it shall notify the Chief of its decision in writing with a request to meet for the purpose of resolving said grievance within two (2) calendar days. The Chief shall sign and date the formal Grievance to acknowledge its receipt. Said meeting shall take place within seven (7) calendar days of receipt by the Chief of the written request of the Executive Board and an earnest effort will be made to resolve said grievance. The Union and District may mutually agree in writing to extend the seven (7) day time limit. The Chief shall, thereafter, render his decision in writing within five (5) days of said meeting. If the matter is not resolved at Step 3, the Firefighter or his/her representative may proceed to Step 4. However, failure to proceed to Step 4 shall constitute affirmation by the Firefighter to the fact that the matter was settled at Step 3.

**19.5.4 Step 4. Appeal to the Board of Directors.** In the event the Union does not accept the decision of the Chief, then it shall request, in writing, to the Board of Directors for a hearing not less than twenty (20), nor more than forty-five (45) calendar days following receipt of said written notice. The Board of directors shall schedule a hearing and give notice of the date, time and place thereof to the Firefighter, the Union and the Fire Chief. Such hearings shall be conducted in accordance with the District's rules and regulations and each party shall be given the opportunity to present the facts and their respective positions concerning the grievance. The Board of directors shall render, within the ten (10) days following this hearing, a final decision on the issue. If the matter is not resolved at Step 4, the Firefighter or his/her representative may proceed to Step 5 as determined by the Union. However, failure to proceed within seven (7) days after the completion of Step 4 shall constitute affirmation by the Firefighter to the fact that the matter was settled at Step 4.

**19.5.5 Time Limits.** A decision on the grievance shall be rendered within the time limit set forth or the grievance shall be deemed denied. Failure at any step of this procedure to appeal a grievance to the next step within the time limits shall be deemed to be acceptance of the decision rendered at that step. The time limits specified in these procedures may be extended by mutual written agreement of the parties involved prior to the expiration of the time limits.

**19.5.6 Step 5. Request for Arbitration.** Should the decision of the Board of Directors be unsatisfactory to the Union, then it shall submit the grievance to arbitration in accordance with the Colorado Uniform Arbitration Act.

**19.5.7 Selection of an Arbitrator.** In the event the parties are unable to agree upon an arbitrator within ten (10) working days from the date the Union demanded arbitration, they shall request a list of seven (7) names from the American Arbitration Association (AAA) and select from the list one person to serve as arbitrator by alternatively striking names from the list until one remains. The parties shall flip a coin to determine who strikes the first name. The remaining name shall be the name of the arbitrator.

**19.5.8 Arbitration Hearings.** The arbitrator will have authority to hold hearings and make procedural rules therefore. All arbitration meetings shall be in closed sessions and no news releases shall be made concerning subjects of the arbitration. The arbitrator will issue a report within a reasonable time after the date of the hearing or, if all hearings have been waived, then from the date of the final statements and evidence are submitted to him/her. The arbitration shall be held and completed within ninety (90) days from the selection of the arbitrator. The arbitrator's report shall be given within thirty (30) days after the final hearing date, unless otherwise mutually agreed to by the parties to this Agreement. The arbitrator's report shall be submitted in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator's decision shall be final and binding on the parties. No arbitrator shall have the authority to alter or amend, add to or delete from the Agreement or any of its provisions. The cost for the service of the arbitrator, including per diem expenses, plus actual and necessary travel and subsisted expenses, if any, shall be borne by both parties equally. It is understood that time frames relative to arbitration are subject to the schedule of the Arbitrator and both parties agree to accommodate as necessary.

#### **19.5.9 Miscellaneous Grievance Provisions**

**19.5.9.1 Fire Fighter Coverage.** Firefighters shall suffer no loss of pay for reasonable time necessarily lost from their regularly scheduled working hours while investigating and processing grievances as provided for in the grievance procedures. It is expressly understood that in no event shall a Firefighter representative leave his work for grievance purposes without first notifying and

obtaining approval of his/her immediate supervisor. When it is necessary for a Firefighter to attend a grievance meeting or hearing during a regularly scheduled shift, the Fire Chief shall notify the Union and the Firefighter, and the Firefighter shall be released from duty without loss of pay for such time as their attendance is required at such meeting or hearing.

**19.5.9.2 Sharing of Information.** The District and the Union agrees to make available to the aggrieved person and his/her representative, and to the District, all pertinent information in its possession or control and which is relevant to the issues raised by the grievance. Any information not shared at or prior to Step 4 shall be inadmissible in Step 5's arbitration proceedings.

**19.5.9.3 Non-Grievable Matters.** Matters not covered by the Agreement shall not be subject to the Grievance provisions of this Agreement.

## **ARTICLE XX LEGAL PROCEEDING**

### **20.1 LEGAL PROCEEDING**

The Union expressly herein agrees that it will not institute or participate in, except as a co-defendant or a co-plaintiff with the District, any claim, lawsuit or other legal proceeding, challenging the language of this Agreement as being violated or void under law.

The Union further expressly herein agrees that in the event that any claim, lawsuit or legal proceeding is filed or commenced by any member or members of the Bargaining Unit, acting on their own personal behalf and not on behalf of the Union, challenging the language of this Article as being violative or void under law, the Union shall join with the District in defending, as a party defendant, the provisions and language of this Article. The District and the Union will pay their own defense costs in such a litigation.

### **20.2 WAIVER OF BREACH**

The waiver by any party to this Agreement of a breach of any term or provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach by any party.

### **20.3 NO THIRD-PARTY BENEFICIARIES**

None of the terms, conditions, or covenants set forth in this Agreement shall give or allow any claim, benefit, or right of action by any third person not a party to this Agreement. Any person other than the parties to this Agreement who or which receive services or benefits under this Agreement shall be only an incidental beneficiary.

**ARTICLE XXI  
PERSONNEL REDUCTION**

**21.1 PERSONNEL REDUCTION**

**21.1.1** The District shall notify the Union of the need to reduce the number of Firefighters who are on payroll within the bargaining unit at least 90 days before the effective date of a layoff. Such notice shall be given in writing addressed to the Union by certified mail. The notice shall disclose the number of positions affected, the rank or classification of each position so affected, and the unit or units, if any, which are to be disbanded. Immediately after issuing the notice, the Employer shall give the Union a reasonable period of time, of no less than 30 days, within which it shall meet and confer with the Union to discuss such action. The Employer shall respond to any proposals which the Union may make in response to the subject matter of notice.

**21.1.2** Each Firefighter who is to be reduced in rank or laid off as a consequence of a reduction in force or the disbandment of any unit shall be given written notice, at least 30 days before such action is to occur; of the date, the purpose and nature of the action that is to be taken with regard to him or her. The notice shall state the reasons for the action, and any rights which the Firefighter may have with regard to his or her employment. A copy of the notice also shall be timely delivered to the Union.

**21.1.3** All reductions in force shall be established by rank and seniority in the District. District seniority shall be established from the date that the Firefighter was hired into the Fire District as a full-time Firefighter. Seniority in rank or classification shall be established from the date that the Firefighter was promoted into the rank or classification which he or she currently occupies.

**21.1.4** In the event of a tie in seniority, the tie shall be broken on the score they received during the testing process.

**21.1.5** There shall be no preference granted for subjective evaluation of performance, skill or ability when determining who to reduce from rank to rank, or who to lay off.

**21.1.6** For purposes of determining either seniority in rank or District seniority, the following additional rules also shall apply for layoffs and reductions in rank within the Fire District. First, should a Firefighter who formerly was employed by the Fire District return to the service of the District after a break in service due to an injury or illness causing disability, all time which intervened shall be counted in the Firefighter's favor as if the Firefighter lost no time away from work. Second, should a Firefighter return to the District after having resigned from service or voluntarily transferred from Fire District service, his or her seniority shall begin anew.

**21.1.7** In the event a reduction in force is necessary, the reduction shall proceed in the following order: Firefighters shall be laid off in reverse order of District seniority; the most junior Firefighters within the District shall be laid off first, with regard to rank or classification.

**21.1.8** If a reduction in force results in the need for a redistribution of Firefighters from superior ranks to lesser ranks, such reductions in ranks shall be accomplished by reducing in rank those Firefighters with the least tenure in the affected rank counting from the Firefighter's date of promotion.

**21.1.9** A Firefighter who is laid off shall be paid for all accrued but unused leave time.

**21.1.10** All Firefighters who are reduced in rank or laid off shall not suffer any loss in benefit or entitlement accrued prior to the date of the action, e.g., holidays, vacation, personal leave, pension, and overtime, earned, accumulated and unused at the time of reduction in rank or layoff.

**21.1.11** If possible, each Firefighter who is bumped out of rank or classification shall, in turn, be reduced only one rank, to the rank or the classification immediately junior. This shall not pertain to layoffs, which shall be consistent with District seniority rights.

**21.1.12** Any Firefighter who is reduced in rank and involuntarily transferred into a new unit shall be entitled to acting compensation. Any Firefighter who at first received acting certification in rank and then was promoted, upon return to that rank or classification after demotion, shall retain his or her original acting certification and approval date, and shall enjoy the right to exercise the same.

**21.1.13** If the current salary is the same as or greater than the maximum of the lower grade, the Firefighter shall receive the maximum salary for the lower grade. If the current salary is less than the maximum of the lower grade, the Firefighter shall receive the closest salary rate of the lower grade.

**21.1.14** The District shall prepare and maintain a list, known as a "Reemployment List", of all persons who are reduced in rank or laid off, by rank or classification. In the event that vacancies occur within the District while persons remain on the Reemployment List, the order of recall shall be determined by reference to the Reemployment List. The Reemployment List(s) shall remain in effect for 36 months after the date of a layoff (unless extended by the District) and shall be used to offer employment opportunities that may become available by seniority to all persons who have been reduced or laid off, before any Firefighters are promoted from one rank to another or any persons are hired or transferred. No person may be hired while any person in that rank or classification remains in a reduced rank or on the Reemployment List. Any persons who were bumped more than one rank would be first eligible for return to the next higher rank before such

position is filled by Firefighters demoted only one rank. Firefighters shall be placed in the pay grade of their former rank, restored to the level of total annual compensation that they would currently receive had they not been reduced in rank or placed on the Reemployment List. The Firefighter shall receive no credit for longevity while on layoff.

**21.1.15** Notice of recall to the Firefighter's former position shall be given to the Firefighter in writing at his or her last known post office address, it being the Firefighter's obligation to notify the District of any change in address while laid off, or reduced in rank. The notice shall be by certified mail, return receipt requested. The Firefighter shall be given 15 days from the date of the letter's receipt to accept an offer of reinstatement, in which case written acceptance shall be sufficient if filed in any form with the District.

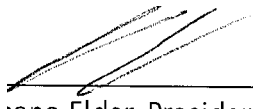

**21.1.16** Any Firefighter who is reduced in rank, pursuant to this Article, and is on a promotional list when demoted shall remain on the list and remain eligible for promotion until the list expires, subject to the recall or reinstatement rights of any laid off or demoted Firefighter, under the terms of this Article.

**21.1.17** The provisions of this Article shall govern to determine the rights of any Firefighter who is demoted or laid off through this reduction in force procedure on or after January 1, 2025. It shall not apply to any Firefighter who is demoted or terminated for disciplinary purposes.

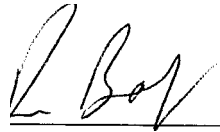

IN WITNESS WHEREOF, the parties hereto have set their hands this 11<sup>th</sup> day of November 2024.
